Was it in 65 0or 66 that the canopus went to Rota Spain. My dad Arthur R Clingenpeel was on the Canopus. We lived in base housing right across from the school. My husband and I were just reminiscing about my dad and the days I remember growing up adn the USS Canopus came up. Dad died two and a half years ago after his third round of bladder cancer. I searched the website for the Canopus and came across your website.

Roxanne (Cingenpeel) Cole
