

Eulise Oliver Gentry
November 4, 1914 – June 20, 2009

Our shipmate, Eulise, came aboard the Old Canopus on 3 April 1939 as a Bugler Second Class. He transferred off the Canopus, having advanced to First Class, to the USS Chaumont AP-5 on 5 November 1940. Therefore, he was spared the tribulations that his shipmates went through at the outbreak of World War II.

I know these exact dates as Eulise donated his Continuous Service Certificate to the USS Canopus historical archives at the 2000 Norfolk reunion.
