Dear Shirley and Family, So very sorry to hear of Franks passing. He was such a friendly and talented Sub-vet. You two were the first we met when we attended a December MPLS/ST Paul Base meeting back in '95. You made us feel so welcomed, something we will never forget. You gave us one of the small wooden carved submarines and we did purchase one of Frank's wall mount-US Sub Vet plaques, with the Dolphins ingraved out of wood, a gorgeous piece of work that I will cherish forever. [The one that I had to send back for a spelling repair, we all got a chuckle out of this one]. We just want you and yours to know that our Love, thoughts and prayers are with you all. Smooth sailing my Dolphin Brother. With deepest sympathy, Marlene and Jim Farquhar.
